I comfortable with it, and again I live close so if needed I can always come by to assist if needed.

If you're comfortable with it, then I am too.

In return for giving his Friday up he would be getting Sunday in return. This would leave us with no supervisor on duty that one day. I have attached a copy of the schedule for you to review. I am comfortable with the staff that would be working that day, and as always I can show up to assist with any problems that may arise.
